Maximize your take-home income with a Flexible Spending Account

Your flexible spending account (FSA) through Blue Cross & Blue Shield of Rhode Island (BCBSRI) allows you to pay for qualified expenses such as healthcare, dependent care, and commuter services with pre-tax dollars. Since taxes are not deducted from your FSA payroll contributions, you'll pay less in federal, state, and FICA taxes—which means more take-home pay!

With an FSA, you benefit from the following:

- The money you put in may reduce your taxable income;
- Taxes aren't deducted, so you get more spending power when you pay for qualified expenses
