

100/60+ Copay \$1,500/\$3,000 High-Deductible Health Plan HSA Qualifying

Understanding Your Benefits

Deductibles

You pay the following amounts each year before your health plan starts to pay toward the cost of covered services:

- \$1,500 per individual plan;
\$3,000 per family plan in-network
- \$3,000 per individual plan;
\$6,000 per family plan out-of-network

The deductible has an aggregate calculation, which means that all deductible amounts paid count toward the family deductible amount, and one or all can meet it.

Out-of-pocket Limits

The following is the maximum you would pay out-of-pocket for essential health benefits each year (including medical and pharmacy copayments, deductibles, and coinsurance).

- \$3,000 per individual plan;
\$6,000 per family plan in-network
- \$9,000 per individual plan;
\$18,000 per family plan out-of-network

The out-of-pocket limit has a hybrid calculation, which means that all out-of-pocket amounts paid count toward the family out-of-pocket limit, but the individual will never pay more than their individual out-of-pocket amount.

Please note:

The deductible and out-of-pocket limits are separate for in-network and out-of-network services.
